

Sustainable Laboratories Feedback and Evaluation

Laboratory: Name

Thank you for participating in the Laboratory Assessments for Research Sustainability (LARS) sustainability assessment. The following is a description of your laboratory, your sustainability achievements, opportunities for sustainable practices, and self determined goals. Feel free to contact Karly Burch (karlyburch@umail.ucsb.edu) or Colin Dowling (colind@umail.ucsb.edu) with any questions you may have. Thank you again for your support!

✓ Overview of the Evaluation form

- Laboratory Description
 - Sustainability Achievements
 - Opportunities for Sustainable Practices
 - Self Determined Goals
 - Follow Up
 - Appendix
1. Laboratory Description
 2. Laboratory Name and Location:
 3. Laboratory Manager and contact information:
 - Name
 - Phone #
 - E-Mail
 4. Description of Lab (Clarify description collected on Lab Tour Data Sheet for our records):

✓ **Sustainability Achievements**

1. Energy
2. Equipment
3. Materials
4. Lighting
5. Fume Hoods
6. Heating
7. Water
8. Training and Awareness
9. Communication
10. Commuting and Travel
11. Fieldwork
12. Other

✓ **Opportunities for Sustainable Practices**

1. Energy
2. Equipment
3. Materials
4. Lighting
5. Fume Hoods
6. Heating
7. Water
8. Training and Awareness
9. Communication
10. Join the LabRATS online group

11. Commuting and Travel
12. Fieldwork
13. Other

Sustainable Laboratories Feedback and Evaluation

Laboratory: Name

✓ Self-Determined Goals

Please include your self-determined goals in the areas of Innovation, Energy, Equipment, Materials, Lighting, Fume Hoods, Heating Water, Training and Awareness, Communication, Commuting and Travel, Fieldwork, and Other.

Area	Goal	Current Status	Plan for Completing the goal	Status 6 months later

✓ Follow Up

1. How would you like LARS to publicize your participation in our program?
Please indicate if you would like any of the following information to remain confidential.

	Confidential
Department	
Building	
PI/Lab Manager's Name	
Laboratory Description	
Sustainability Achievements	
Sustainability Goals	
Data	
Picture	
Other:	

2. Do you know of any other laboratories that may be interested in participating in the LARS Program? Would you be willing to send an introduction letter to them recommending us and letting them know we will contact them?

14. Can LARS perform a follow up assessment in 6 months to record improvements made in your lab?

15. Do you have any other questions, feedback, or concerns?

**THANK YOU FOR YOUR
PARTICIPATION AND SUPPORT!**
