Footnotes and details															
General Information															
⁰¹ Personnel Headcounts, UCSB Office of Budget & Planning, File: 1993-2003 Staff and Faculty Headcounts-SCV															
¹ Includes students enrolled in Education Abroad, Ventura Center, UCDC and Inter-campus Exchange.															
² Total Maintained Gross Square Feet (TMGSF) provided by Suzi Lascurettes from Budget & Planning.															
³ Data provided by Gary Lawrence 9/2/04.															
Energy															
⁴ For State Funded Buildings Only															
⁵ Numbers es'd using California Climate Action Registry conversions															
⁶ Climate Registry numbers include all on-campus natural gas, electricity emissions, as well as all emissions from UCSB-owned autos and boats. Numbers are verified by 3rd party auditor															
Energy data provided by Jim Dewey															
Water															
⁷ Main campus includes all H&RS and other auxiliaries, but not apartments or FT. Data provided by Jim Dewey.															
Land/Built Environment															
⁸ Reserves Include Carp Salt Marsh, Coal Oil Point, ValentineCamp, SNARL, and Sedgwick															
NRS include Santa Cruz Island and the Kenneth Norris Rancho Marino Reserve															
Acres of Parking Lots															
	On Campus										5,933				
	Off Campus										423

	Purchasing														
	Note: In the departments of Purchasing, Central Stores, the UCSB Bookstore, Custodial, and H&R Services there are no formal policies for green procurement in place.														
	Food														
	¹⁹ Sustainable food is defined as being pesticide free and grown within Santa Barbara County. This designation was created to allow flexibility for local farmers who tend to lack time and resources to pursue USDA organic certification
