

Hi everyone,

This is just a quick reminder about our meeting on Thursday. It is a little bit earlier than usual, 3pm, and it will be in the 4th floor conference room.

Agenda:

- 1) ~~Victoria Wing and fundraising~~ (reschedule)
- 2) Application comments
- 3) How do we want to handle the \$24K energy project?
- 4) Update on reps for next year
- 5) Look over final report outline
- 6) Discuss adding an appeals process to the bylaws
- 7) The TGIF Logo
- 8) adjourn

Please come prepared with the comments on the proposals you were assigned. If you could type them up and bring me a copy, it will make my life a lot easier when I'm sending out the feedback letters.

If you can't make the meeting please email your comments to me beforehand.

See you all Thursday,

Mark
